EVALUATION AND IMPLEMENTATION RESEARCH ON BRAC COMPREHENSIVE COVID-19 RESPONSE

Timeline: September 2020- March 2021

Focal Person: Mohammed Nazmul Islam

Implemented by: Centre of Excellence for Science of Implementation and Scale-UP (CoE-SISU)

PROJECT DESCRIPTION:

BRAC HNPP will Design and implement a community-based response on COVID-19 prevention, protection and care through community, private and public sectors engagement and participation in Kapasia and Kaliganj Upazila in Gazipur District.

BRACJPGSPH will conduct an evaluation using quasi experimental design and implementation research using explanatory mixed method approach.

Donor: BRAC
